DRAFT

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Telecommunications Division Carrier Branch

RESOLUTION T-16641 March 6, 2002

RESOLUTION

RESOLUTION T-16641. VOLUNTARY REVOCATION OF CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY OF SIX TELECOMMUNICATIONS CARRIERS.

SUMMARY

This resolution revokes, at the request of the companies, the Non-Dominant Interexchange Carrier (NDIEC) and Competitive Local Carrier Certificates of Public Conveniences and Necessity (CPCNs) held by the six companies listed in the Discussion Section.

BACKGROUND

The six companies listed in the Discussion section below were certificated by the Commission in the specified markets. All required tariffs were filed.

Each company has stated in a letter or advice letter to the Commission that it no longer has any customers and that it requests revocation of its CPCN.

DISCUSSION

The companies that would be revoked by this resolution are the following:

	<u>Utility Type</u>	CPCN#	<u>Company Name</u>
1.	IEC	5798	U.S. West Long Distance, Inc.
2.	IEC	5940	LD Exchange.com, Inc.
3.	IEC	5971	Satellink Paging, LLC
4.	IER	6349	NewSouth Communications Corp.
5.	IER	6410	TeleDirect Telecommunications Group, LLC
6.	IEC/CLC	6518	Dynamic Telecom Engineering I, LLC

Each of the above companies has sent either a letter or an advice letter to the Commission requesting revocation. There is no reason to deny this request since these companies report that they have no customers and there are about 1,000 long distance and 300 competitive local carriers authorized to do business in these markets.

The Telecommunications Division (TD) recommends that these requests for revocation be granted and that the companies' Utility Identification Numbers be cancelled. TD's Public Programs Branch has determined that the company has paid all surcharges owed.

This is an uncontested matter in which the resolution grants the relief requested. Accordingly, pursuant to PU Code Section 311 (g)(2), the 30-day period for public review and comment is being waived.

FINDINGS

- 1. The companies on the above list were certificated by the Commission in the indicated markets.
- 2. The companies requested by letter or advice letter that their CPCNs be revoked.
- 3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled in cases where they hold no other CPCNs.

THEREFORE, IT IS ORDERED that:

1. The Certificates of Public Convenience and Necessity granted to the following companies are revoked:

	<u>Utility Type</u>	CPCN#	<u>Company Name</u>
1.	IEC	5798	U.S. West Long Distance, Inc.
2.	IEC	5940	LD Exchange.com, Inc.
3.	IEC	5971	Satellink Paging, LLC
4.	IER	6349	NewSouth Communications Corp.
5 .	IER	6410	TeleDirect Telecommunications Group, LLC
6.	IEC/CLC	6518	Dynamic Telecom Engineering I, LLC

2. The companies' Utility Identification Numbers are canceled (in the cases where they hold no other CPCNs) and will not be reissued.

RT990121 2

This Resolution is effective today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on March 6, 2002. The following Commissioners approved it:

WESLEY M. FRANKLIN Executive Director
